WHAT TO EXPECT

Private Screenings are purposed for leaders who service those in need of education, trauma training and/or direct connection to resources. It intentionally starts the dialogue in an intimate setting amongst leaders to discuss targeted goals and outcomes for potential viewers within their community of influence.

A FAMILY AFFAIR PRIVATE SCREENING is (2)hours in length, which includes a (1)hour movie presentation immediately followed by a trauma debriefing/resource connection workshop by Nurse Shirelle Hogans and community resources (if available). Workshop will include the benefits of how A FAMILY AFFAIR can START THE CONVERSATION of the road from TRAUMA to THRIVING HEALTHY FAMILIES. Requestor will receive a complimentary copy of the DVD
